Investing in a World Class Educational Experience

The San Ramon Valley Education Foundation (SRVEF), together with our 35 local school affiliates, is the primary fundraising organization that works in partnership with the San Ramon Valley Unified School District. We provide financial support to public education and promote innovative learning experiences to help today’s students become tomorrow’s global-minded thinkers.

Thank you for your interest in becoming a community partner of the SRVEF. Your decision to partner with us shows your commitment to students, public education, and community.
